

# 50

## YEARS OF HISTORY...

The Red River Roping and Riding Club (RRRR) was established in the late 1960's by a group of community minded individuals that had the objective of creating a better fellowship among horseman, and horsemanship among adults and juniors for pleasure, educational purposes, and entertainment, with instructions to be beneficial to all.

In 1971 they obtained a lease for a 16.97 ha property from the Government of Saskatchewan, in the RM of Buckland. The in 1973 they built a 130' X220' indoor arena and barn and became incorporate as a non profit business.

In 1983 the Club amended its bylaws and changed its business to model to that of a non profit Cooperative under which it is currently operating.

In early February 2013 the roof of the indoor arena collapsed under the weight of the snow and ice that had accumulated. The Club held a general meeting with its members shortly after the incident and a decision was made to continue as a Club and build a new 32,000 square foot indoor riding arena and barn.

The Red River Roping and Riding Club's dedication over the past 50 years is truly commendable. Their efforts in organizing annual events, providing boarding services, and maintaining a year-round riding facility have undoubtedly made a significant impact on the horse-loving community.

The Red River Roping and Riding Club truly offers a comprehensive range of services and activities. Their dedication to Equine Assisted Learning, Horse Boarding, Riding Lessons, Special Events & Rental Services, Summer Camps, and Team Penning, combined with the great community atmosphere fostered by their volunteer board members, makes them a cornerstone of the horse community. This is a fantastic place for horse lovers and their families!

The passion and dedication of the volunteers at the Red River Roping and Riding Club are truly inspiring. Their commitment to both equine pleasure and competitive riding, along with their welcoming nature towards new members and potential board members, ensures a vibrant and inclusive community for all horse enthusiasts. It's great to see such a supportive and active group!

Here's to many more years of their continued success and contribution!

COMPETITIVE EVENTS ARE OUR SPECIALTY

## MEMBERSHIP...

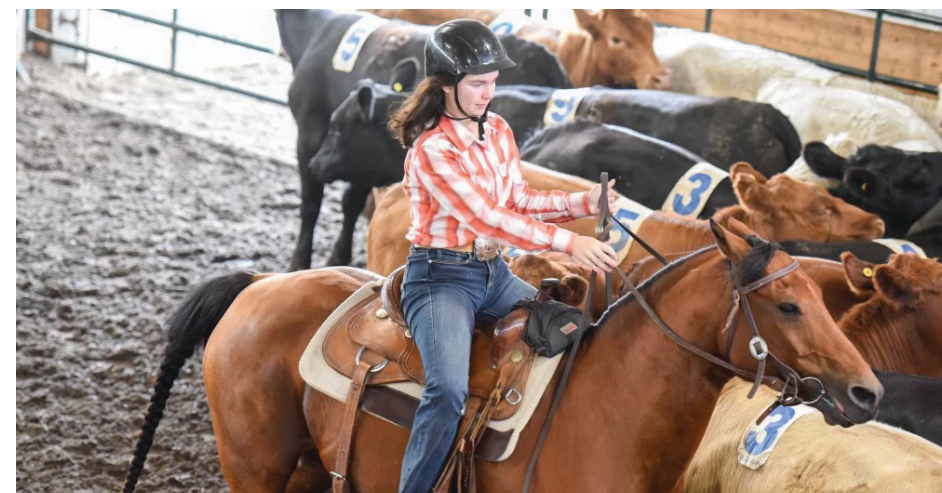

The Red River Roping and Riding Cooperative is a club that values community involvement and is dedicated to bringing like minded horse people together to share in the greater horse community. Dedicating many years to the Prince Albert and surrounding area, Red River and Roping arena is not only a place to ride but a play toto build and enjoy lasting friendships both human and horses.

So what is included with Membership?

Becoming a member includes the use of the indoor arena year-round, the outside arena and rodeo grounds as well as access to the amazing trails of the little Red river park. Once a member there is no minimum volunteer requirement. Following our clubs bylaws, once you are a member in good standing for over a year, you will have important voting rights in the falls AGM held annually.
